There are some discussions going on that make a call on Thursday the best day to update you. The available time is between 12:30 and 2. Please let me know what one hour slot works best. Also, last time I invited Jerry Couri to participate. Do you have an objection to extending invitation again? Thanks.

Morning Pamela,  
I saw yesterday that EPA was discussing "multimedia" investigations in Washington County, PA which began as early as September. With these new investigations just being made public as well as the agencies continued action in Dimock, I would like to request a briefing from staff sometime next week to get an update of the agencies actions in the area as well as latest findings. Please let me know what would work on your end and I can make sure I am available.  
Thanks,  
Dimitri
